Amish Prayers 2011-04-01 The Amish as well as other Anabaptist groups have used the same book of prayers for centuries. Now for the first time a selection of these prayers is readily available in English. This exclusive authentic translation from the original German--with an introduction by Beverly Lewis--will give readers insights into the spiritual foundations of the Plain people. Each prayer is paired with a Scripture passage to draw readers closer to God. This hardcover illustrated gift book is perfect for old and new fans of Amish fiction alike.

The World and the Word Eugene H. Merrill 2011 Three esteemed Old Testament professors introduce students to the first eighty percent of the Bible--freshly illuminating the text as a rich source

of theology and doctrine packed with practical principles for modern times.

God Built Steve Farrar 2010-01-01 Our world is in desperate need of bold, passionate men of integrity. Yet such men aren't born; they're built, shaped, and formed by God. Best-selling author Steve Farrar will guide you through the story of Joseph, a humble shepherd who overcame tremendous odds to become an influential leader. It's here you will discover the process that creates true men of God, where He works providentially, strangely, and slowly. Uncover the biblical pattern for growth, gain insights into common frustrations and difficulties, and become equipped for the journey ahead.

Following Jesus Carolyn Slaughter 2008-08-01 First produced by Ginghamburg United Methodist Church, this 12-session study is perfect for groups just beginning their faith walk or for anyone looking for a deeper foundation. Following Jesus Leader's Guide 9780687649488

Honestly Johnnie Moore 2011-09-01 Johnnie Moore, vice president and campus pastor of Liberty University, inspires readers with an enthusiastic challenge to live out fully what they say they believe as Christians. In his uniquely confessional tone, Johnnie takes readers on a journey of belief from the hilltop home of the Dalai Lama to a mass grave of more than 250,000 people in Rwanda. He dares to address the doubts and challenges that have turned many well-intentioned Christians into hypocrites. Like a good pastor, Moore helps heal the wounds he

opens, and he leaves his reader with one curious question, "What could happen if the world's Christians actually began to live what they say they believe?"

Following (Pastoring for Life: Theological Wisdom for Ministering Well) Jason Byassee 2021-08-10 "[An] insightful exploration of Christian discipleship in the digital age."--Publishers Weekly This book offers theological perspectives on the challenges of discipleship in a digital age, showing how new technologies and the rise of social media affect the way we interact with each other, ourselves, and the world. Written by a Gen X digital immigrant and a Millennial digital native, the book explores a faithful response to today's technology as we celebrate our embodied roles as followers of Christ in a disembodied time.

Unfriend Yourself Kyle Tennant 2012-01-01 Three days. No Facebook. No Twitter. No social media. Just time to detox, discern, and decide. Take a three-day social media fast with Unfriend Yourself and learn to examine your use of social media from a Christian perspective. This book will guide you in evaluating your fast by asking challenging questions such as: What happens when I broadcast myself on the Internet? Do I see a difference between my interactions on social media and my interactions face-to-face? Do I rule my media, or do my media rule me? While reading Unfriend Yourself, you will learn to think critically, biblically, and practically about social media. Whether you choose to leave the social media scene, engage in it less, or engage in it more after your social media fast, your perspective on social media will never be the same. "Without throwing the baby out with the bathwater, Kyle challenges the Christian to a God-honoring approach to social media involvement. Well researched and thought through, Unfriend Yourself avoids the emotional arguments and instead presents a provocative 'must read' for any students, young adults, and generations beyond who want to be responsible in approaching social media from a biblical worldview." – Dr. Bob MacRae, Professor of Youth

Ministry at Moody Bible Institute

God Can't Sleep Palmer Chinchen 2011 In this follow-up to his debut, *True Religion*, Palmer Chinchen helps believers develop a God-centered response to suffering. --from publisher description.

Angels Are for Real Judith MacNutt 2012-02-01 Leading Expert Demystifies Angels and How They Interact with People Angels have a vital role in the Kingdom of God--and in the lives of believers. Yet many Christians treat the existence of angels lightly or fail to consider them at all. In *Angels Are Real* Judith MacNutt pulls back the curtain on this intriguing topic, recounting inspiring, true-life stories and miraculous interactions, revealing what the Bible says about these heavenly beings, and offering insight into the spiritual realm. She draws on solid scriptural support to explore · what angels look like · what they do · why they are important in believers' lives · the heavenly hierarchy · what fallen angels are · and more. *Angels Are Real* is an accessible, comprehensive, encouraging guide for Christians. When believers grasp the importance of angels to God--and themselves--they will better understand God's power and his extraordinary love.

Loving God When You Don't Love the Church Chris Jackson 2007-09-01 Many Christians who experience hurt in the church don't just leave their own churches; they leave the church altogether. Whether they have been wounded by pastors or people in the pews, these believers have had enough and are jumping ship in massive numbers. Pastor and churchgoer Chris Jackson is honest about his own failings as well as those of the church at large. He identifies with many of the hurts churchgoing Christians have experienced. In *Loving God When You Don't Love the Church*, he hopes to provide healing to wounded and disillusioned believers and restore the wonder of a genuine relationship with Jesus and his bride, the church. Jackson's humility, compassion, and practical advice for healing and restoration will touch those who have left the church and those

who love them.

Post-Traumatic Church Syndrome Reba Riley 2015-08-18  
Simultaneously published in St. Louis, Missouri by Chalice Press, 2015.

Sistergirl Devotions Carol M. Mackey 2010-05-01 Using Scripture, conventional wisdom and stories from the African-American community, a recognized African-American author speaks to the unique needs of African-American women who place a high value on working life. Original.

Half-Life/ Die Already Mark Steele 2008 With nonstop humor and out-there insights, Steele suggests the route to real living is dying to self. He chronicles his journey-in-progress with often hilarious results. (Christian)

Touching Wonder John Blase 2012-11-12 This bold retelling of Luke 1–2, based on Eugene Peterson’s Message translation, reads like a novel and invites readers to experience the Nativity with fresh wonder. To Eugene Peterson’s The Message Bible translation, John Blase adds his own storytelling voice, exploring the familiar events from multiple first-person viewpoints. What emerges is the intimate story of unlikely people—a frightened teenaged girl, a worried carpenter, a collection of senior citizens, a disillusioned young shepherd—meeting up with the divine as they bumble and stumble toward the realization that the little one just born is the One. This retold story of Word made flesh invites readers to react appropriately—with eyes opened wide in wonder, jaws dropped in amazement, and hearts rejoicing. The beautiful design and Amanda Jolman’s lively line drawings make this book a fitting gift as well as a Christmas tradition that families will treasure for years to come.

That All Shall Be Saved David Bentley Hart 2019-09-24 A stunning reexamination of one of the essential tenets of Christian belief from one of the most provocative and admired writers on religion today The great fourth-century church father Basil of Caesarea once observed that, in his time, most Christians believed that hell was not everlasting, and that all would

eventually attain salvation. But today, this view is no longer prevalent within Christian communities. In this momentous book, David Bentley Hart makes the case that nearly two millennia of dogmatic tradition have misled readers on the crucial matter of universal salvation. On the basis of the earliest Christian writings, theological tradition, scripture, and logic, Hart argues that if God is the good creator of all, he is the savior of all, without fail. And if he is not the savior of all, the Kingdom is only a dream, and creation something considerably worse than a nightmare. But it is not so. There is no such thing as eternal damnation; all will be saved. With great rhetorical power, wit, and emotional range, Hart offers a new perspective on one of Christianity's most important themes.

The Second Christianity John Hick 2009-08-01 In the contemporary world, John Hick argues, there are two Christianities. In one the Bible is seen as uniquely inspired and authoritative, and the Christian worldview is accordingly identified with that of the late first-century church. The gospel is an offer of personal salvation and often a call to us-against-them religious patriotism. In the other, there is an overriding concern for our one world and our common humanity, leading to preoccupation with the global problems of nuclear destruction, the squandering of precious energy resources, the divide between rich and poor in the world and the population explosion. The great religious traditions are seen as representing different awarenesses of and different responses to a divine Reality which transcends all our human thoughts and images, scriptures and cults. Hick's book describes the religious core of this 'second Christianity', the Christianity which is not the tribal religion of one section of humanity over against the rest, but rather one way amongst others of living out our common humanity in relation to a divine Presence which grasps us all. It has grown out of two earlier works, *Christianity at the Centre* and *The Centre of Christianity*.

Post-Traumatic Church Syndrome Reba Riley 2016-03-15 "A woman about to turn 30 and dealing with health challenges finds

that she wants to reconnect with faith, just not with the religion she was raised in. She decides to visit 30 different faith traditions before she turns 30, and finds that her journey encompasses more than just visiting different houses of worship"--

Register of Debates in Congress United States. Congress 1834  
Saved Without A Doubt John MacArthur, Jr. 2010-01-01 Can you lose your salvation? All believers have wrestled with this question at some point in their spiritual walks. So what answers does God provide to challenging questions like: Am I really saved? Am I going to heaven? How can I know for sure? Renowned pastor and author John MacArthur believes every Christian should enjoy the reality and security of being saved without a doubt. Drawing from a background rich in Bible study and teaching, John examines key scriptures, tackles tough questions, and sheds light on the true nature of salvation. Throughout, you'll be encouraged to embrace the perfect grace found in Jesus Christ. Saved without a Doubt includes a guide for both personal and group study, which features discovery questions, suggestions for prayer, and activities, all designed to connect life-changing truths with everyday living.

A Select Library of the Nicene and Post-Nicene Fathers of the Christian Church: Sermon on the mount. Harmony of the Gospels. Homilies on the Gospels Philip Schaff 1996

Can You Be Gay and Christian? Michael L. Brown 2014 Offers practical guidance for Christians who have gay friends, family members, or who struggle with their own sexuality.

The Christian Advocate 1909

Real Good Church Molly Phinney Baskette 2014-06-16 "This is a practical manual of everything our church did," says author Molly Phinney Baskette, "to reverse our death spiral and become the healthy, stable, spirited and robust community it is today evident in the large percentage of children and young adults in our church, and a sixfold increase in pledged giving in the last decade." Baskette, pastor of First Church Somerville UCC in the Boston area, strongly believes her church's strategies will work

for any church, in any setting, regardless of denomination, demographics, and political landscape. Here, in her new book, *Real Good Church: How Our Church Came Back from the Dead, and Yours Can, Too*, she shares everything her church did, addressing topics such as: outreach and growth strategies, finances and giving, creative worship, including personal testimony and corporate prayer, church conflict and change, anxiety and humor, and much more.

**The Emancipation of Robert Sadler** Robert Sadler 2012-01-01  
Powerful True Story of a Twentieth-Century Plantation Slave  
Over fifty years after the Emancipation Proclamation, Robert Sadler was sold into slavery at the age of five--by his own father. This is the no-holds-barred tale of those dark days, his quest for freedom, and the determination to serve others born out of his experience. It is a story of good triumphing over evil, of God's grace, and of an extraordinary life of ministry. An updated edition of a classic title.

**Almost Christian** Kenda Creasy Dean 2010-07-16  
Based on the National Study of Youth and Religion--the same invaluable data as its predecessor, *Soul Searching: The Religious and Spiritual Lives of American Teenagers*--Kenda Creasy Dean's compelling new book, *Almost Christian*, investigates why American teenagers are at once so positive about Christianity and at the same time so apathetic about genuine religious practice. In *Soul Searching*, Christian Smith and Melinda Lundquist Denton found that American teenagers have embraced a "Moralistic Therapeutic Deism"--a hodgepodge of banal, self-serving, feel-good beliefs that bears little resemblance to traditional Christianity. But far from faulting teens, Dean places the blame for this theological watering down squarely on the churches themselves. Instead of proclaiming a God who calls believers to lives of love, service and sacrifice, churches offer instead a bargain religion, easy to use, easy to forget, offering little and demanding less. But what is to be done? In order to produce ardent young Christians, Dean argues, churches must rediscover

their sense of mission and model an understanding of being Christian as not something you do for yourself, but something that calls you to share God's love, in word and deed, with others. Dean found that the most committed young Christians shared four important traits: they could tell a personal and powerful story about God; they belonged to a significant faith community; they exhibited a sense of vocation; and they possessed a profound sense of hope. Based on these findings, Dean proposes an approach to Christian education that places the idea of mission at its core and offers a wealth of concrete suggestions for inspiring teens to live more authentically engaged Christian lives.

Persuasively and accessibly written, *Almost Christian* is a wake up call no one concerned about the future of Christianity in America can afford to ignore.

*Secondhand Jesus* Glenn Packiam 2009 Poses an argument that today's Christians inappropriately count on religious experts to define or set the standards for living one's faith, arguing that settling for another's description renders one vulnerable to doubts in the face of difficult challenges, in a guide that offers counsel on how to get to know God for oneself. Original. 10,000 first printing. *The Art Amateur* 1900

Game On Emmitt Smith 2011-08-25 Emmitt Smith, the NFL's all-time leading rusher of the Dallas Cowboys, Dancing with the Stars champion, and successful real-estate investor, outlines the principles that helped him become a winner on and off the football field. In this book he encourages you to live your God-given dream, now. Emmitt reveals that it's not only vision and talent that propel us toward our dreams, but also a combination of determination, persistence, humility, courage, and faith. *Game On* is more than self-help. The book gives readers practical tools to empower them to pursue their God-given purpose with all their mind, heart, and soul.

*Hunga Dunga* Phil Polizatto 2008-11 A "story about that brief but unforgettable time in our history when flower children were sure

peace and love would guide the planet." -- Back cover

Traveling Mercies Anne Lamott 2000-09-05 Anne Lamott claims the two best prayers she knows are: "Help me, help me, help me" and "Thank you, thank you, thank you." She has a friend whose morning prayer each day is "Whatever," and whose evening prayer is "Oh, well." Anne thinks of Jesus as "Casper the friendly savior" and describes God as "one crafty mother." Despite--or because of--her irreverence, faith is a natural subject for Anne Lamott. Since *Operating Instructions* and *Bird by Bird*, her fans have been waiting for her to write the book that explained how she came to the big-hearted, grateful, generous faith that she so often alluded to in her two earlier nonfiction books. The people in Anne Lamott's real life are like beloved characters in a favorite series for her readers--her friend Pammy, her son, Sam, and the many funny and wise folks who attend her church are all familiar. And *Traveling Mercies* is a welcome return to those lives, as well as an introduction to new companions Lamott treats with the same candor, insight, and tenderness. Lamott's faith isn't about easy answers, which is part of what endears her to believers as well as nonbelievers. Against all odds, she came to believe in God and then, even more miraculously, in herself. As she puts it, "My coming to faith did not start with a leap but rather a series of staggers." At once tough, personal, affectionate, wise, and very funny, *Traveling Mercies* tells in exuberant detail how Anne Lamott learned to shine the light of faith on the darkest part of ordinary life, exposing surprising pockets of meaning and hope.

Christianish Mark Steele 2013-02-15 It may feel like authentic faith. It may even look like the real deal. Yet it's often easy to settle for the souvenir t-shirt—the appearance of a transformed heart—instead of taking the actual trip through true life-change. We find ourselves settling for a personal faith that's been polluted by culture, and diluted by other people's take on spirituality. *Christianish* tells the story of one man's journey to move from the in-between to a life that's centered on Christ. To move forward, author Mark Steele goes back to the beginning, to examine

Christ's life and words. Through stories and insights that are sometimes profound, often hilarious, and always honest, Mark delivers a compelling look at what our faith is all about.

The Politically Incorrect Guide to Immigration John Zmirak 2018-05-21 The crime statistics. The jobs. The inflated welfare state. The terror threats. The Politically Incorrect Guide to Immigration shines cold light on America's out-of-control immigration problem with real-life stories and incontrovertible evidence.

Exploring the Story Adam Barr 2011-04-19 Many people today encounter strange events, names, customs and/or people when they pick up their Bible to read. The world of the Bible can seem very distant to modern readers, even if they are reading a contemporary translation. To help readers gain a better understanding of the world of the Bible, Zondervan has developed a one-volume, handy-size reference resource that will take readers from Genesis to Revelation and provide helpful insights along the way through the use of full-color photos, maps, charts, timelines, character descriptions, special articles on important biblical topics and background information about the nations, and places and customs that they will encounter in their reading of the Bible. What sets this reference resource apart from others is that it is designed to serve as a companion to The Story, a Bible that allows the events, poems, and teachings to the Bible to read like a novel. This reference resource is arranged according to the chapters as found in The Story with each section containing vital information for understanding the biblical text. The Story Reference Companion is a must-have reference volume for teachers and participants engaged in Bible study, especially those reading through The Story.

The Most Important Thing Happening Mark Steele 2013-01-10  
Fantastical Stories of Timeless TruthsA boardwalk peddler selling one ounce of God. A gentle mute who unwittingly triggers a tragic chain of events. Two businessmen declaring war over the Very Last Sandwich in the Entire World. The characters in the eleven short stories of The Most Important Thing Happening move through the whimsical, the mysterious, and the introspective toward the hope your soul longs for. So allow these stories to

unfold before you one at a time. Chew on them. Let them haunt you. Go ahead and make a few fictional friends. Take a look at the world in a new way. You may come out the other side transformed.

Religion without God Ronald Dworkin 2013-10-01 In his last book, Ronald Dworkin addresses timeless questions: What is religion and what is God's place in it? What are death and immortality? He joins a sense of cosmic mystery and beauty to the claim that value is objective, independent of mind, and immanent in the world. Belief in God is one manifestation of this view, but not the only one.

On Guard William Lane Craig 2010-03-01 Renowned scholar William Lane Craig offers a readable, rich training manual for defending the Christian faith. This concise guide is filled with illustrations, sidebars, and memorable steps to help Christians stand their ground and defend their faith with reason and precision. In his engaging style, Dr. Craig offers four arguments for God's existence, defends the historicity of Jesus' personal claims and resurrection, addresses the problem of suffering, and shows why religious relativism doesn't work. Along the way, he shares his story of following God's call in his own life. This one-stop, how-to-defend-your-faith manual will equip Christians to advance faith conversations deliberately, applying straightforward, cool-headed arguments. They will discover not just what they believe, but why they believe—and how being on guard with the truth has the power to change lives forever.

The Michigan Technic 1922

Scandalous Witness Lee C. Camp 2020-03-10 Christian identity is in moral and political crisis, scandalized by the many ways in which it has been coopted and misrepresented. Addressing this painful reality, Lee Camp writes that Christianity in America has been made into a bad public joke because of "our failure to rightly understand what Christianity is." From this provocative claim, Camp's manifesto makes the convincing case that a renewed Christian politic is more essential than ever, one that is "neither

left nor right nor religious,” but a prophetic way of life modeled after Jesus of Nazareth. Camp’s robust vision exposes modern parodies of faith—the American concept of “Christian values,” for one—and challenges Christians to rethink who they are and how they participate in the modern world. Authentic gospel truth is a scandal to the American myth, he argues, and we are called to be scandalous witnesses.
